

Project 1 | Assignment 1

Seven Criteria of a Good Website FOR AN EDUCATIONAL INSTITUTION

1. Logo link present on all pages for quick university home page navigation
2. Site-wide search feature for quick access to information
3. Contact information or link on main page
4. Main home page links organized in categories (five or less in each category/grouping look best), but enough links on the site overall to minimize scrolling on each page.
5. Consistent usage of grid
6. Incorporation of primary school's colors, but a harmonious color palette
7. Tasteful (minimal) use of motion
